Anthony Martin receives certificates from Jerome Thomas

Premiership Stars Support CYPA

Jerome Thomas and Anton Ferdinand
Were on hand at the CYPA Annual
Presentation Evening to present
CYPA members with certificates

Premiership footballers Jerome Thomas and Anton Ferdinand joined the Deputy Mayor of Southwark, Teachers, Parents and young people at the CYPA Annual Awards Evening.

Young people were thrilled to receive their certificates and pose for photos with premiership football stars. Jerome Thomas stated "I am happy to take time out to encourage and support other young people to continue with their educational development. If my attendance here encourages these young people to make their dreams a reality then it is the least I can do". The young people who attend the CYPA Centre have become disaffected with the mainstream educational services and the project provides an accredited alternative. Maths, English and IT are the core topics of the service and a Connexions Personal Advisor provides Careers Guidance. These young people are aged 14-19 yrs and need help, support and guidance which the staff at CYPA provide.
