

# XX 'FACE 2 FACE CONNECTIONS' XX

We were particularly happy to welcome back past students who have graduated from 'Face 2 Face Connections'. They are Roxanne Matherson who is pictured with Jerome Thomas and Anton Ferdinand. The other young person is Karis Theophane who is also pictured below with Jerome Thomas and Anton Ferdinand.

## The Deputy Mayor and Keiren

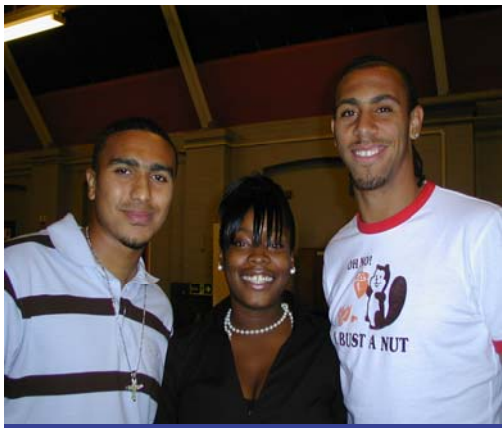

We were happy to welcome the Deputy Mayor of Southwark who was kind enough to present certificates and awards to some of our new graduating group . The deputy Mayor commented that "it was refreshing to see young people given a second chance

and then making the most of it". Due to the territorial dispute which surrounds some of our users from both Lambeth and Southwark some of our users did not attend but instead asked their parents to attend in their place to collect their certificates.

**Mrs Powell receives her son Richards certificates**

Mrs Powell mother of Richard Powell is pictured with Jerome Thomas with several of Richards certificates. Finally this evening would not have gone as well without the kind support of young professional footballers, Anton Ferdinand and Jerome Thomas along with Dean McDonald who all gave their time voluntarily to what they agreed was a good cause. Last but not least the management and staff of **Community Youth Provisions Association.**

The **Face 2 Face Connections** project received financial support from the Government funded Community Development Foundation, Neighbourhood Support Fund, our sincere thanks to each and every one.
