Southwark Children's Services, Education Other Than at School (EOTAS) have commissioned places from Face 2 Face for our young people of statutory school age for over 10 years.

The young people we have placed with Junior have done well and have benefited greatly from the intense support on offer around their education. They have completed accredited courses and been supported into post 16 education by Junior and the staff at Face 2 Face.

We hope to work with Face 2 Face for many years to come and appreciate all of the hard work which takes place to make a difference to the lives of the young people of Southwark.
